COLLEGE OF VETERINARY MEDICINE
& BIOMEDICAL SCIENCES

OFFICE OF THE DEAN

TEXAS A&M UNIVERSITY

November 26, 2013

Name of Client
Address
City, State and Zip

Dear (Name of Client):

It is our privilege to inform you that (name of veterinarian and/or name of clinic) has sent a generous donation to the College of Veterinary Medicine & Biomedical Sciences at Texas A&M University in memory of Bitsy. This thoughtful contribution was designated to the Bexar County VMA Endowed Scholarship fund.

Financing the cost of a professional education can be challenging. Tuition costs have caused a tremendous financial burden on our students, with an average debt upon graduation of over $80,000. Every dollar makes a difference to these dedicated young men and women.

We cannot think of a more fitting tribute to a faithful companion. As animal lovers, we can fully sympathize with your loss, but we are happy to have the opportunity to make your pet's passing a positive and meaningful contribution to the health of all animals.

May Bitsy always remain a beautiful memory to you.

Sincerely,

Eleanor M. Green, DVM, DACVIM, DABVP
Dean

O.J. "Bubba" Woytek, DVM
Senior Director of Development
